**Why:** This is an event where people of all abilities can participate and be successful. The following goal areas are always addressed at a community choir:

- |  |                             |
|--|-----------------------------|
| Increase social interaction skills                     | Increase eye contact        |
| Increase active attending skills                       | Increase motor coordination |
| Increase gross and fine motor skills                   | Increase sensory-processing |
| Increase receptive and expressive communication skills |                             |

The **Kokomo Community Choir** is sponsored by the consultants at Meaningful Day Services. MDS is a Waiver service provider based in Brownsburg, IN.
